CTR Annual Report - 1964

THE COUNCIL FOR TOBACCO RESEARCH - U.S.A.

April 2, 1964

MEMORANDUM

TO: Miss Brown & Messrs. Holtzman and Jacob

FROM: W. T. Hoyt

Attached is a draft of a section of the Annual Report written by Dr. Little. I would appreciate your going over this and we can discuss it in detail later.

We also hope to have a statement by the Scientific Advisory Board and one by Dr. Hockett, covering research and progress. However, I think this is the key statement to be considered.
